

Mixed conditionals - 2+3/3+2

Answers 1

A. Match the sentence halves and underline the conditional constructions:

1. If we lived in France	1E present result of a past condition (2+3)
2. I'd be home by now	2C present result of a past condition (2+3)
3. Their dog'd have won that dog show	3A Past result of present action (3+2)
4. If we hadn't gone to bed so late yesterday	4D Past result of present action (3+2)
5. My room wouldn't have been in such a mess then	5B Past result of present action (3+2)

B. Make the correct sentences using a mixed conditional for a hypothetical present and a past action/situation: (2+3)

1. She **would have moved** (move) to Bafang a long time ago if she **had** (have) more money.
2. If I **worked** (work) from nine to five, I **would have gone** (go) to the gym every week last year.
3. If she **lived** (live) closer, we **would have seen** (see) each other much more often.

C. Make the correct sentences using a mixed conditional for a hypothetical past and a present action/situation: (3+2)

1. We **wouldn't be** (not be) in such a mess now if he **had done** (do) his job properly.
2. She **would work** (work) much better today if he **had asked** (ask) her nicely to do that job.
3. If we **had traveled** (travel) via Italy, we **would not have** (not have) to pay so much now.
